

PUBLIC (INTERNATIONAL) JOB POSTING

The University of Ljubljana promotes gender equality in employment and work.

Member: FACULTY OF ADMINISTRATION, Gosarjeva 5, Ljubljana, www.fu.uni-lj.si

Position: **SENIOR RESEARCHER (H019008)**

The position is announced for a fixed term, expectedly until September 30, 2026, for a shorter working time of 8 hours per week, for scientific-research and professional work on the ARIS project entitled "[Developing an artificial intelligence readiness framework for citizen-centred public governance](#)" and SI research program entitled "[Development of an Efficient and Effective Public Administration System](#)".

Requirements for the job and skills:

- Doctorate in science (previous and Bologna process) in economics or other relevant fields.
- Valid habilitation title at the University of Ljubljana – senior researcher in the field of economics and management in administration or a related field, or *fulfillment of quantitative and qualitative criteria for election to the title of senior researcher in the field of economics and management in administration or a related field, according to the Criteria for Elections to Titles of Higher Education Teachers, Researchers, and Associates (No. 0160/2011 dated October 25, 2011, and amendments). *In this case, the candidate must, along with the job application, submit evidence of meeting the mentioned criteria and a statement consenting that if selected by the selection committee, their application will also be considered for election to the title or recognition of the title; the Criteria are published on the University of Ljubljana's website.
- Innovation, sense of organization, communicativeness.

Job responsibilities:

- Scientific-research and professional work on the ARIS project entitled "Developing an artificial intelligence readiness framework for citizen-centred public governance" and SI research program entitled "Development of an Efficient and Effective Public Administration System".
- Organizing, coordinating, planning, and monitoring research activities (within the research group).
- Connecting research activities with other research institutions.
- Professional collaboration with clients on research tasks.
- Preparation of reports and studies on research.

Send your application to the email address: ks@fu.uni-lj.si and attach: a curriculum vitae describing previous work experiences; bibliography; educational certificates; proof of the valid habilitation title of senior researcher or proof of meeting the quantitative and qualitative criteria for election or recognition of the title, in line with the Criteria; references from the area of intended work and tasks related to the field required in the job conditions.

The deadline for applications is inclusive until February 11, 2024.
