Faculty of Administration, Ljubljana

Registration with a digital identity

Students who have a digital identity can register with their university or higher education institution library online.

 Not a student at this university or higher education institution, don't have a digital identity? Use [registration form](#).

The registration comprises the following steps:

1. Login with a digital identity

After clicking the ArnesAAI button and successful identification, the student's details (first name, last name, e-mail address, and student ID number) are displayed on the screen.

2. Set up a password for the My library service

Enter the password to use the My library service for this library.

3. Accept the Terms and Conditions

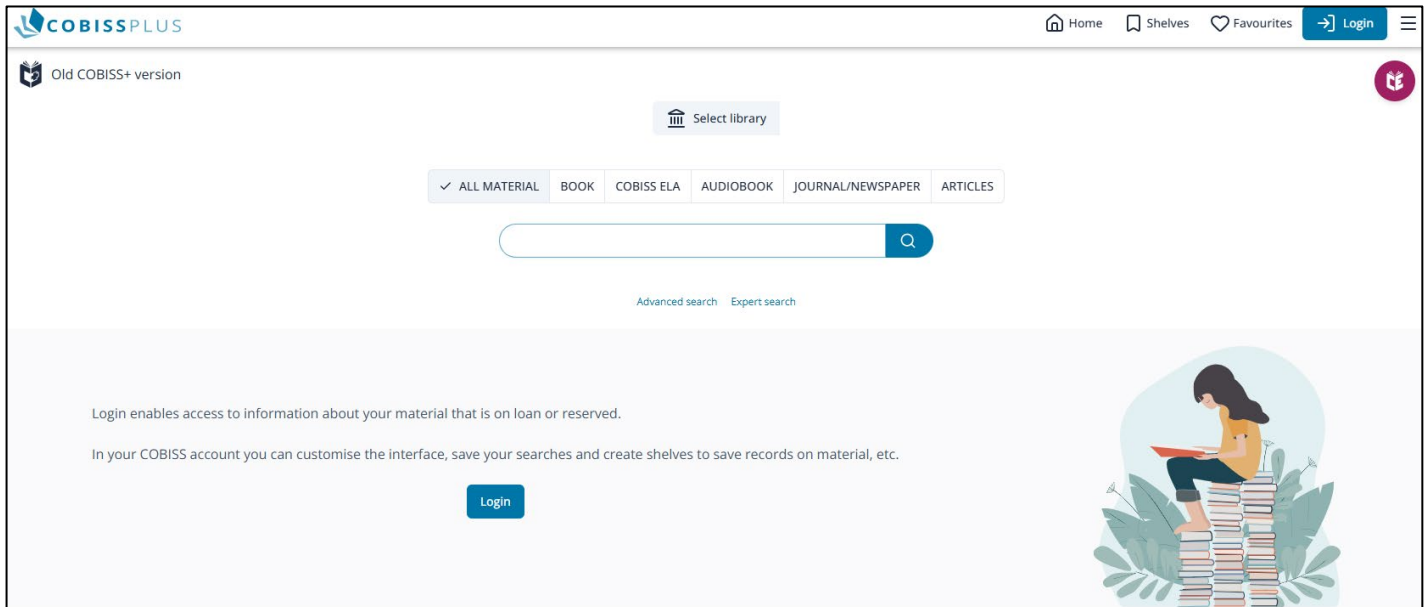

If your registration is successful, your details and your library membership card number are displayed on the screen; a COBISS account is created.

You can now continue searching the library catalogues or login to your COBISS account.

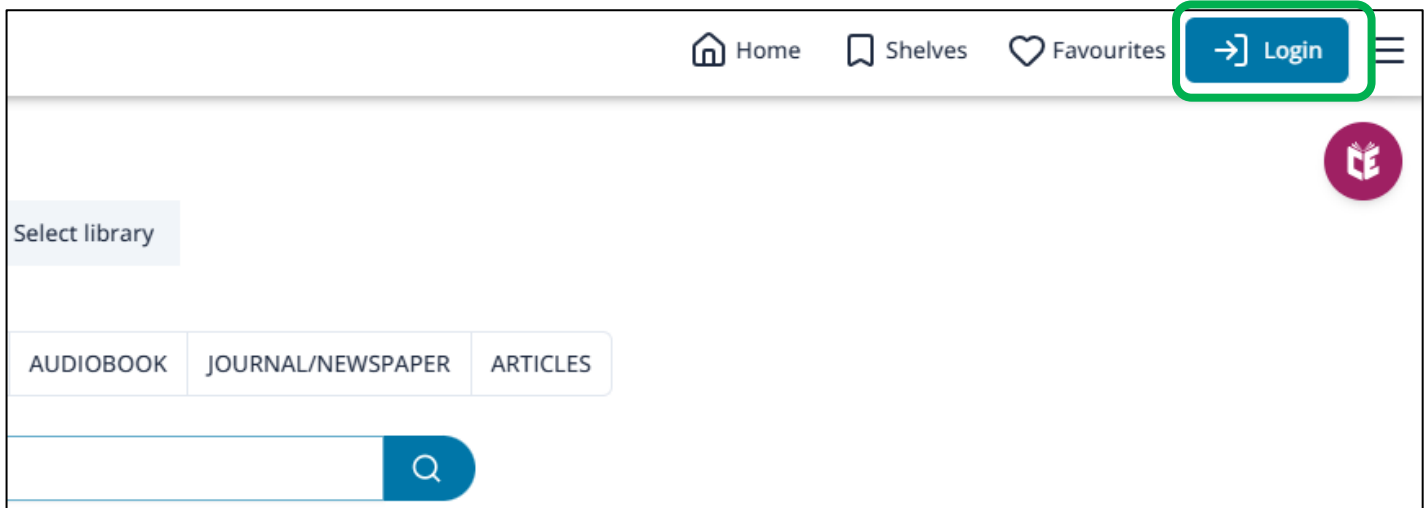

If the registration is unsuccessful, contact your library.
